Case for your appeal

Please set out in a separate statement the main point(s) of your appeal with direct reference to the grounds on which your appeal is based. You should provide any supporting evidence you wish to be considered on the assessment of your case (eg medical certificate). Please note that this statement will be used to evaluate your appeal and, therefore, you should provide all the information that you wish to be taken into consideration.

The Students’ Union is available to offer advice on appeals and may be able to assist you in the preparation of your statement. Contact details for the Students’ Union are provided on the front page of the form.

Outcome of your appeal

Please indicate below what action you wish to see taken to address your appeal.

Please note that the University reserves the right to contact the authors of any evidence in order to verify authenticity. If the evidence can be shown to have been dishonestly acquired or is in itself dishonest the appeal will be dismissed and the matter will be submitted to the disciplinary process (if appropriate). Please contact oscar@surrey.ac.uk if you have any concerns in relation to these checks.

Information collated in relation to your case will not be shared unless an exception to data sharing and confidentiality requirements exist. For example, when individuals are at risk of harm to themselves or others. Information may also be shared in order to process other student-facing regulations. For example the Student Disciplinary Regulations, Regulations for Academic Appeals or Regulations for Fitness to Study. Please contact oscar@surrey.ac.uk if you have any concerns in relation to this.
