Fundamentals in Quality Improvement & Patient Safety
Module Code HCRM007

Credits / Level of Study
15 credits / Level 7

Module Aims
This module aims to introduce the key concepts of patient safety and risk. Students will critically analyse and evaluate the impact of human factors theory and national patient safety policy on the reduction of risk and enhancement of safety in the workplace. Students will make critical judgement of the impact of legal and ethical frameworks for safe practice with a focus on professional accountability and codes of conduct.

Learning Outcomes
On successful completion of this module, students will be able to:

- Critically evaluate the concepts of patient safety and risk and how national and local patient risk and safety policies impact on their practice
- Evaluate the importance of carrying out root cause analysis and developed experience applying different analytical tools to real life scenarios.
- Critically reflect upon how this learning can be used to improve patient safety in their own workplace
- Systematically and critically judge the mechanisms for escalating and communicating concerns within the legal and ethical frameworks required for safe practice

Module Content
Indicative content includes:

- Patient Safety policy: from micro to macro
- Regulation and quality monitoring
- Error reporting
- Human factors
- Adverse incidents
- Professional codes of conduct and accountability
- Critical incident analysis
- Root cause analysis and Fishbone analysis
- Introduction to quality improvement
- Open and fair cultures

Pre-requisites/co-requisites of study
None

Delivery of Module
The learning and teaching methods include:
- Lectures
- Workshops
- Scenarios
- On line tutorials
- E learning

Assessment
Written assignment of 3000 words

Key Information

Study Dates
January 2017: 30
February 2017: 13, 20, 27
March 2017: 6, 13

*Please check our website to ensure that there have been no revisions to the course dates listed

Location
Duke of Kent Building, University of Surrey

Cost
£920.00
