Mentorship
Module Code NURM128

Credits / Level of Study  15 credits / Level 7

Module Aims
This module focuses on mentoring and the enhancement of your coaching, assessment and facilitation skills, through a
dependent and supportive approach.

Learning Outcomes
On completion of the module, the student should be able to:
• Explore the needs of others and assist in their learning and
development whilst identifying and reflecting on
own attributes and qualities in supporting learning and
assessment in practice
• Critically consider theoretical evidence and its
application to their own practice whilst applying
learning, teaching and assessment strategies
• Widen their communication and leadership skills to
develop and promote team working within the learning
environment in order to create an optimum learning
experience for the student

Pre-requisites of Study
Prior to commencing the mentorship module, each student
mentor will be required to identify the name of a qualified
mentor who will be supporting the students throughout the
duration of the module with particular regard to practice
learning activities.

Delivery of Module
A variety of teaching and learning strategies will be applied
throughout the module:
• Peer review
• Blended Learning
• Presentations
• Interactive lectures
• Case studies/scenarios
• Facilitation
• Experiential Learning Activities
• Coaching
• Technology Enhanced Learning

Assessment:
This module will be assessed in two parts. There will be a
Practice Based Portfolio of mentor competency, which
needs to be verified by an existing mentor. The second part
of the assessment is an online scenario based electronic
worksheet. Students will access video scenarios and
device a Learning outcome and practice assessment based
on the scenario depicted. Additional worksheet questions
will also enable you to discuss further evidence of critical
understanding of the underpinning theory relevant to the
situation and activity. This worksheet activity will constitute
the academic mark for this module. It will be helpful to seek
support with your writing if you have not studied recently.
