Credits / Level of Study  15 credits / Level 7

Module Aims
This module focuses on mentoring and the enhancement of your practice based coaching, supervision, assessment and facilitation skills, through a reflective and supportive approach.

Learning Outcomes
On completion of the module, the student should be able to:
• Explore the needs of others and assist in their learning and development whilst identifying and reflecting on own attributes and qualities in supporting learning and assessment in practice
• Critically consider theoretical evidence and its application to their own practice whilst applying learning, teaching and assessment strategies
• Widen their communication and leadership skills to develop and promote team working within the learning environment in order to create an optimum learning experience for the student

Pre-requisites of Study
To study at Level 7, students must have completed a programme of study at Level 6

Prior to commencing the mentorship module, each student mentor will be required to identify the name of a qualified mentor who will be supporting the students throughout the duration of the module with particular regard to practice learning activities.

Delivery of Module
A variety of teaching and learning strategies will be applied throughout the module:
• Peer review
• Blended Learning
• Presentations
• Interactive lectures
• Case studies/scenarios
• Facilitation Coaching
• Experiential Learning Activities
• Technology Enhanced Learning

Assessment:
This module will be assessed in two parts. There will be a Practice Based Portfolio of mentor competency, which needs to be verified by an existing mentor. The second part of the assessment is an online scenario based electronic worksheet. Students will access video scenarios and devise a Learning outcome and practice assessment based on the scenario depicted. Additional worksheet questions will also enable you to discuss further evidence of critical understanding of the underpinning theory relevant to the situation and activity. This worksheet activity will constitute the academic mark for this module. It will be helpful to seek support with your writing if you have not studied recently.

How to Apply
Application forms can be printed from our website

Key Information

Study Dates (further dates to be announced)

Cohort 1
Classroom Sessions:  3, 4, 5 Sep, 16 Oct

Cohort 2
Classroom Sessions:  3, 4, 5 Oct, 15 Nov

*Please check our website to ensure that there have been no revisions to the course dates listed. Cohorts may be cancelled if minimum number of participants is not met.

In addition to the classroom days, students are required to engage in online learning activities and discussions to complete the learning outcomes. This learning is self-directed and negotiated with your workplace.

When applying, please ensure you are available for all classroom dates and indicate which cohort you are applying for.

Location
Duke of Kent Building, University of Surrey

Cost  £700.00
