Suggested questions you could ask exhibitors:

If you were looking to recruit a new graduate, which skills and qualities would you be looking for?

What attracted you to work for this organisation?

What does a typical day / week involve in your job?

What opportunities exist for future progression?

How has your degree course helped you in your career?

If you were starting at University again, what would you do to make yourself more employable?

What type of work experience does your organisation offer?

What is the best / most challenging thing about your job?
