

Catastrophe on Campus

YEAR 10 PROGRAMME

Catastrophe

ON CAMPUS

▶▶▶ A CONTAMINANT HAS BEEN RELEASED ON CAMPUS!
STAFF, STUDENTS AND THE PUBLIC ARE IN DANGER!

WHAT IS IT?

Catastrophe on Campus is a University experience not to be missed! Over the course of the programme, you will be taking on the roles of experts in forensics, media, biomedical science, disaster management and more to assist in the response and recovery of this biological hazard and suspicious incident.

It's your chance to find out what university has to offer, develop your skills and find out what leading edge research is happening now that could help you think about your future career.

IS IT FOR ME?

Yes! Your teacher has selected you because they think you have the potential to take on the challenges of university.

WHAT WILL YOU DO?

You'll be part of a group of students from schools across Surrey and the local area taking on a variety of fun and exciting opportunities including:

- Exploring new subjects, careers and skills, such as decision making, leadership and independent thinking
- Enhancing your learning and knowledge with your own University of Surrey student mentor
- Creating and managing a team research project
- Learning key debating skills in order to present an argument
- Visiting other universities to build a picture of your future options
