Student Uniforms 2018-19

Firstly, WELCOME from the Lakeside team. As an International Hospitality Management (IHM) student you need to purchase the listed uniform below during Freshers (Induction) week **before** the practical classes begin. In freshers week you will need to visit the uniform shop (CCP) which is a 25 minute walk outside of the campus and try on the uniform and shoes for size. Uniform will be supplied on the day. Methods of payment for uniforms may be cash, or credit card (Not American Express). If an item is not available, it will be ordered. The shop will contact you directly and you can then collect the outstanding item(s) when available. Further details will be given in induction week.
