

# UNIVERSITY OF SURREY

DISCOVER UNIVERSITY SUMMER SCHOOL

16 – 18 JULY 2019

Do you care for a  
friend or family member?  
Have you ever wondered  
what it would really be like  
to study at university?

### ABOUT THE SUMMER SCHOOL

Our three day residential Discover University summer school is designed specifically for young carers and offers you the chance to explore the range of subjects and support that university offers.

The summer school is an opportunity to meet new friends and fellow students from similar backgrounds, creating the friendly, caring atmosphere enjoyed by students at university. This is a fantastic opportunity to experience the life of a student in a supportive environment.

Find out what life is like at university, talk to current university students and try your hand at a range of our exciting subjects! During the evenings there will be a variety of social activities held on the university campus, or in the surrounding area.

Student Ambassadors will be able to share their own experiences of being young carers as well as answer your questions about study options, living arrangements, support available and clubs & societies.

### ELIGIBILITY

The summer school is free to eligible students in year 9, 10 and 11 who are caring for a friend or family member (due to illness, disability, a mental health condition or a drugs/alcohol addiction).

### HOW TO APPLY

To apply, you will need to complete an application which is available as a hard copy or can be downloaded online:

[surrey.ac.uk/individual-needs](https://surrey.ac.uk/individual-needs)

The application form includes a section for your parent or carer to complete. It must also be signed by a teacher from your school.
