

UNIVERSITY DISCOVERY

YEAR 5

SESSION CONTENT:

This session will assess students' current understanding of Higher Education and introduce them to the concept of university through a range of fun and interactive activities. Students will have the opportunity to speak with current university students and understand that Higher Education is accessible to everyone.

STUDENT AIMS AND OUTCOMES:

- Develop their understanding of Higher Education and access to it
- Increase self-esteem by working on an individual project
- Practice key communication skills

FEEDBACK:

92% of students agreed that the event had helped them understand what university is

'Lovely, stimulating day. Exciting and thought provoking for the pupils. A brilliant insight for them into student life...' (Teacher Feedback)
