

UNIVERSITY FUTURES

YEAR 10

SESSION CONTENT:

Students will learn about some of the career pathways that Higher Education can make available to them. They will reflect on the role that education can play in their future development and will have the opportunity to work on their interviewing and networking skills.

STUDENT AIMS AND OUTCOMES:

- Understand that there is a diverse range of career benefits
- Identify what is required to pursue different pathways
- Develop interview and networking skills

GATSBY BENCHMARKS:

- 2 - Learning from career and labour market information
- 7 - Encounters with Further and Higher Education
