

# UNIVERSITY SKILLS

YEAR 9

## SESSION CONTENT:

Through the completion of their own mini research project during the session, students will explore a range of skills that are important for studying in Higher Education and many other different contexts. Students will research, plan and present their own piece of work, and will reflect upon the task to help develop their skills.

## STUDENT AIMS AND OUTCOMES:

- Identify a range of skills and the contexts within which they may be used
- Understand the benefits of Higher Education
- Develop their research, planning, presenting and evaluation skills

## GATSBY BENCHMARKS:

- 3 - Addressing the needs of each pupil
- 7 - Encounters with Further and Higher Education
