

UNIVERSITY STUDY

YEAR 11

SESSION CONTENT:

This session will focus on a range of revision techniques that can be adopted by students to revise effectively and improve their exam performance. Students will consider different methods of independent study including the use of index cards, mnemonics and mind maps. This will help them to understand the benefits of these techniques and their uses.

STUDENT AIMS AND OUTCOMES:

- Improve their independent study skills
- Discover new revision techniques
- Increase confidence in students' abilities to revise and sit exams

GATSBY BENCHMARKS:

- 3 - Addressing the needs of each pupil
- 7 - Encounters with Further and Higher Education

FEEDBACK:

'It was helpful and well organised, and I learnt a lot about the different revision techniques and about university in general.'
