

# CATASTROPHE ON CAMPUS

YEAR 10 PROGRAMME

# CATASTROPHE ON CAMPUS

▶▶▶ **A CONTAMINANT HAS BEEN RELEASED ON CAMPUS!  
STAFF, STUDENTS AND THE PUBLIC ARE IN DANGER!**

## WHAT IS IT?

Catastrophe on Campus is a University experience not to be missed! A catastrophe has occurred on campus and it is your job to help solve the situation. Throughout the programme you will take part in various subject taster sessions such as Forensic Chemistry, Sociology, Criminology and Biomedical Science to assist in the response to the Catastrophe on Campus.

You will also work with current students and staff to learn about life as a university student and the steps you need to take to get there. There will also be chance to work in the University library to research a group research project that will be presented as the culmination of the project.

It's your chance to find out what university has to offer, develop your skills and find out what leading edge research is happening now that could help you think about your future career.

## IS IT FOR ME?

Yes! Your teacher has selected you because they think you have the potential to take on the challenges of university.

## WHAT WILL YOU DO?

You'll be part of a group of students from schools across Surrey and the local area taking on a variety of fun and exciting opportunities including:

- Exploring new subjects, careers and skills, such as decision making, leadership and independent thinking
- Enhancing your learning and knowledge with your own University of Surrey student mentor
- Creating and managing a team research project
- Learning key communication skills in order to present an argument
- Visiting a different university to build a picture of your future options
