STUDENT LIFE MENTORS
If you’re a first year student living in University accommodation, you will be automatically allocated a Student Life Mentor who will visit your flat weekly until Christmas, then every other week from Christmas until Easter. If you’re not living in the residences but would like to speak with a Mentor, please just get in touch and we will happily arrange this for you. Our Mentors are current students who are carefully chosen and trained to support you, so please do ask for help.
