Politics and international relations

Discover politics Understand power Shape the future

#### UNIVERSITY OF SURREY

# Our modules (2019-20)

### **Political Communication**

"The interest and relevance of the content is amazing, and I thoroughly enjoyed the module."

"Extremely interesting, varied and fun activities to do, and very practical."

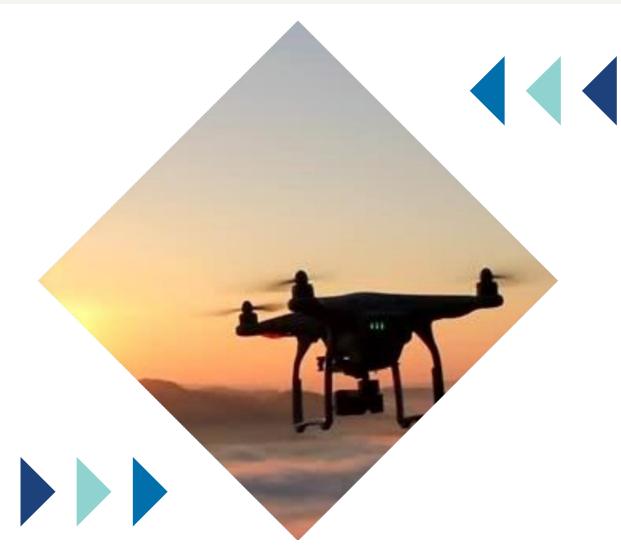

Sample assessment questions:

Are spin doctors always a negative presence in politics?

Is fake news the end of political communication or a reconceptualisation of its importance?

#### **Critical Terrorism Studies**

"Really interesting, and sensitively covered, considering the topic; I liked the assignment and feedback and the lectures were always really interesting and well done."

"I liked the 'terrorism in the press' aspects of the lectures, as we were able to see up to date terrorism examples and were able to analyse them."

Sample assessment questions:

Has the War on Terror made us safer?

Is it necessary to give up some liberties in pursuit of security?
