CHANGE YOUR PERSPECTIVE

WEDNESDAY 20 MAY 2020

Welcome

At Surrey, we don't just see things as they are, we see things as they could be. If you're considering postgraduate study with us, it's likely you do too.

Our virtual open event will help you discover everything you need to know about our postgraduate degrees and life on campus.

Discover our campus

Our beautiful campus is located in the vibrant town of Guildford, in south-east England. Surrounded by nature and the Surrey Hills, we're just a 34-minute train journey away from London and within easy reach of Heathrow and Gatwick airports.

Discover a different perspective

Our growing global community is made up of more than 2,500 postgraduate students from all over the world. With such a rich mixture of different cultures, ideas and perspectives, who knows who you'll meet, share ideas with and be inspired by. Surrey is guaranteed to broaden your mind.

Discover the unexpected

At Surrey, we see possibility everywhere. Our academics are leaders in their fields, and experts at taking creative ideas and turning them into real-life applications you might not expect.

Maybe you know you've got a great idea – or maybe with our help, you'll see how your ideas can become great.

Accommodation

If you're moving to the UK for the first time, or want the convenience of living on campus, we offer a range of accommodation for postgraduate students. Find out more about student accommodation and living at Surrey – including the type of rooms we offer – at our virtual open event.
