

Join our year-long
leadership development
programme and become
a mentor to pupils who
need it the most.

Give a **year**
to tackling
educational
inequality

#BeTheChange

Are you 18-25, living in the UK, available to volunteer full-time and looking to make a real difference to children's lives?
Then **City Year UK** wants to hear from you!

Applications for our **London, Birmingham, Coventry and Greater Manchester** programmes are now open.

What will you be doing?

As a volunteer mentor based in a school in a low-income area you will:

- Act as a role model, mentor and coach to help struggling pupils succeed, providing 1:1 and small group support in class
- Lead creative clubs, projects and events
- Support pupils' academic and emotional wellbeing, creating a positive learning environment

What will you get?

As part of your City Year experience, you will receive:

- Access to **accredited leadership courses**
- Bespoke **training sessions** on Fridays, to develop leadership and employability skills
- A **designated professional mentor** from our corporate partners
- **£90-£100 living expenses per week**, dependent on region, plus all travel expenses reimbursed
