Thinking of teaching in primary or secondary school?

Train with Teach SouthEast: Ofsted rated us as an “Outstanding” local Initial Teacher Training (ITT) provider. Teach SouthEast offers school-based ITT and we work in partnership with over 30 local primary and secondary schools.

As a teacher, you can share your passion for learning and your dedication to your subject every day. Depending on your subject, you could be eligible for a tax-free government bursary of up to £26,000 while you train to teach.
