### General Questions

We aim to let you know the outcome of your audition or interview within 2-3 weeks. Review of online audition material may take longer

Full details of the audition requirements will be posted on the GSA website next week

If you wish to apply for more than one GSA, you will need to use a separate choice on your UCAS application and attend an audition for each programme.

Offers are made mainly on your performance at the audition but grades and personal statements are also considered

All auditions this year will be either online or at GSA, there will be no regional auditions
