Surrey WPO Masterclass Webinar Series

Become a part of our FREE Webinar Series!

Throughout the coming year we will be delivering Subject Tasters and Information Sessions on Wednesday evenings, but we want to give you the opportunity to offer these sessions live in the classroom during the week, specifically for your students!

Join us virtually with the Widening Participation and Outreach Team alongside our Student Ambassadors for tailored sessions for your students.

All sessions are 45 mins – to 1 hour long.

Email Maisie at m.mullis@surrey.ac.uk for more information!
