1. When using the exercise space students must wear a face covering and maintain social distancing from any other persons.

2. The exercise space will only be available for use during daylight hours.

3. Students will be able to use the facility for 30 minutes maximum to allow all students the opportunity to access the space.

4. Students will also need to self-manage their activity to ensure the exercise space does not become over crowded.

5. Smokers are encouraged to be respectful of other non-smokers.

6. Students must only use this space for independent exercise and not engage in activities with other students outside of their self-isolating household.

7. Students should wear suitable footwear as the grass can be slippery in wet conditions.

KEEP A SAFE DISTANCE
