Award of posthumous degrees

1. In the event of a student death, the University will investigate whether a posthumous qualification may be awarded. It will be for the student’s next of kin to decide whether to claim such an award. Academic Schools/Departments should not enter into any communications with bereaved families about the possibilities relating to posthumous awards but should refer the matter to the Pro-Vice-Chancellor, Executive Dean of Faculty.

2. The following procedures relate to the award of a posthumous degree in the event of the death of a student prior to the completion of their degree.

3. Any enquiries concerning these procedures should be directed to the Academic Registrar.

4. The information contained within these guidelines should be referred to alongside Regulations for taught programmes and Regulations for research degrees.

5. The final decision to recommend the posthumous award to the Senate Progression and Conferment Executive (SPACE) will be made by the relevant Pro-Vice-Chancellor, Executive Dean and the Pro-Vice-Chancellor, Education, supported by the Academic Registrar. The recommendation for the posthumous award may be conferred by the Chair’s action and subsequently reported to SPACE. Posthumous degree awards are unclassified/ungraded.
