

The **Global Centre for Clean Air Research (GCARE)** invites you to join the

**SEPTEMBER
to
FEBRUARY**

GLOBAL INDOOR AIR QUALITY AND RESPIRATORY INFECTION Webinar Series

A knowledge exchange platform with the aim to share and discuss state-of-the-art best practices on indoor air quality and respiratory infection globally with some of the **World's Foremost Indoor Air Pollution Experts.**

The series will present the take of science during the global pandemic where indoor environments have become even more important and needs to be improved for people's health and wellbeing.

Please visit the **GCARE's event page** for free registration

Part of the EPSRC/Surrey supported Official Development Assistance (ODA) project "Knowledge transfer and practical application of research on indoor air quality (KTP-IAQ)"
