

#4

The University of Surrey's Global Centre for Clean Air Research (GCARE) invites you to join the

Webinar series

GLOBAL INDOOR AIR QUALITY AND RESPIRATORY INFECTION

A knowledge exchange platform across the ODA countries with the aim to share and discuss state-of-the-art best practices on indoor air quality and respiratory infection globally.

Dr Francis Olawale Abulude

Science and Education Development Institute,
Nigeria

Dr Adedeji A. Adelodun

The Federal University of Technology
Akure, Nigeria

Title:

Indoor air quality: awareness, health impact, and scientific mitigation techniques across Africa
