

#7

The University of Surrey's Global Centre for Clean Air Research (GCARE) invites you to join the

Webinar series

GLOBAL INDOOR AIR QUALITY AND RESPIRATORY INFECTION

A knowledge exchange platform across the ODA countries with the aim to share and discuss state-of-the-art best practices on indoor air quality and respiratory infection globally.

Professor Aonghus McNabola

Trinity College Dublin, Ireland

Title:

Passive indoor air pollution control in ventilation systems
