Your appeal

Please describe below what decision you are appealing:

Grounds for your appeal

Please tick the appropriate box or boxes.

- That relevant new evidence has become available that should be considered and there are valid reasons why it was not available to the Authorised Person at the time they imposed the penalty
- That the Authorised Person has shown bias or prejudice towards the student in the way that they handled the matter that led to the imposition of the penalty
- That the decision was unreasonable and/or the penalty imposed by the Authorised Person was not proportionate in all of the circumstances
- That the Authorised Person failed to follow the University's regulations and/or procedures or failed to follow them with due care.

Case for your appeal

Please set out in a separate statement the main point(s) of your appeal with direct reference to the grounds on which your appeal is based. You should provide any supporting evidence you wish to be considered on the assessment of your case (e.g., medical certificate). Please note that this statement will be used to evaluate your appeal and, therefore, you should provide all the information that you wish to be taken into consideration.

The Students' Union is available to offer advice on appeals and may be able to assist you in the preparation of your statement. Contact details for the Students' Union are provided on the front page of the form.

This form is also available for download from the University internet pages at:

Please note that the University reserves the right to contact the authors of any evidence in order to verify authenticity. If the evidence can be shown to have been dishonestly acquired or is in itself dishonest the appeal may be dismissed and the matter submitted to the disciplinary process (if appropriate). Please contact oscar@surrey.ac.uk if you have any concerns in relation to these checks.
