### Campus Amenities

**Below** is a map of our Manor Park Campus highlighting places you may find useful during your visit. Signage can be found around campus and any of our staff members will be happy to direct you if you are a little lost.

Maps can also be found [here](#).

## Additional Requirements

If you have any additional requirements whilst you are with us, please ensure to communicate these to your event organiser as soon as possible. For all accessibility information please reference: [Accessible.](#)

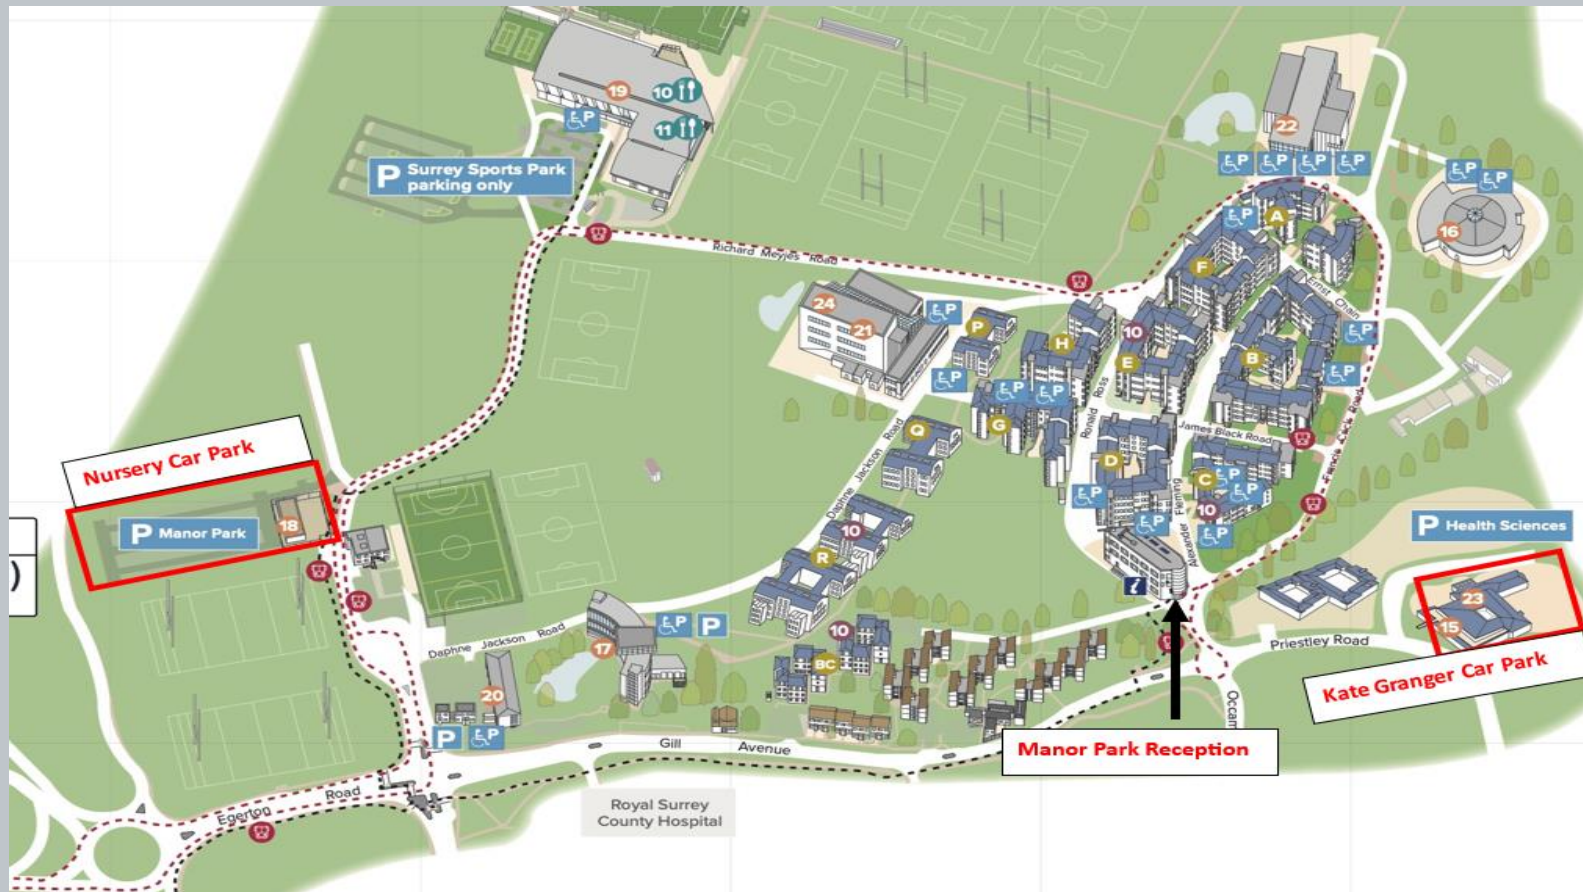

## Maintenance

For any maintenance faults in your accommodation, please report to the reception team during opening hours.

## Keys and Personal Belongings

If you lose your key during your stay, please report it to your reception, who will be able to issue a new key. The charge for a replacement key is £10. Please note that reception accepts card payments only.

After the reception's closing, security will only let you into the room and you will need to collect a new key at the next available opportunity. The University accepts no liability for loss or damage to property or vehicles and their contents nor for injury to visitors to the campus except where required by law. Please lock your bedroom door and shut windows when leaving.

## Parking

If parking is available for your event.

Each guest is required to create an account and then register their vehicle details in advance of their visit. ANPR cameras are in operation in our parking facilities, and those not registered may be issued a penalty notice. Full terms and conditions can be found via the link sent to you to register.

Parking is available in 2 areas on the Manor Park campus, these are detailed on the map above. All vehicles and their contents are left at the owners' risk, the University of Surrey takes no responsibility for any loss or damage.

## Fire Evacuation Information

Detailed below is our university-wide fire safety information, including procedures if a fire is discovered, what to do if you hear the fire alarm, and where all our evacuation points are.

### On Discovering a Fire:

Immediately operate the nearest fire alarm call point.

Fight the fire (but only if safe to do so).

Evacuate the building by closing all doors behind you.

Proceed to the assembly point (shown below).

Dial 3333 on an internal telephone or 0800 525790 on an outside line to give details of the incident to security.

### On Hearing the Fire Alarm Sound

Evacuate the building by closing all doors behind you.

Follow the directions of the fire wardens and proceed to the assembly point.

Do not re-enter the building until instructed to do so by the incident controller.
