

Do you Support Someone with Psychosis?

The OSMOSIS project wants to hear from you

The OSMOSIS Project

Aims to learn about people's experiences of support in order to inform the development of resources and actions to support carers

You can participate if...

- You provide unpaid support for a family member or friend with psychosis (often called being 'a carer')
- Are aged 18 or older
- Live in Hackney, Tower Hamlets, or East Sussex
- Have tried to seek out or received support for yourself

Taking part will involve...

- A 90 minute **interview** either online via Microsoft Teams, over the phone, or in person depending on your preference
- You will receive a **£20** voucher of your choice
- Your information will be kept **private** and you will not be identified in any outputs

Find out more and take part

If you want more information or alternative formats of this flyer please visit the project website via the QR code

If you would like to participate in the study please contact:
