

Do you Support Carers of People with Psychosis?

The OSMOSIS project wants to hear from you

The OSMOSIS Project

Aims to learn about carers' experiences of support in order to inform the development of resources and actions to support carers

You can participate if...

- You are employed or volunteer in a role where you provide support to carers of people with psychosis
- Are aged 18 or older
- Work or volunteer in Hackney, Tower Hamlets, or East Sussex

Taking part will involve...

- 90 minute **focus group** with other people who provide support to psychosis carers held online via Microsoft Teams
- You will receive a **£20** voucher if you are participating in your own time
- Your information will be kept **private** and you will not be identified in any outputs

Find out more and take part

If you want more information or alternative formats of this flyer please visit the project website via the QR code

If you would like to participate in the study please contact:
