YOUR SURREY OPEN DAY

Choosing a university is a big decision. A Surrey Open Day is your opportunity to explore what and how you could study — and to see whether Surrey feels right for you.

From your first step on campus to your final session of the day, everything is designed to give you the insight you need to choose with confidence. Attend your pre-booked subject talk, explore facilities, view accommodation, and speak to the people who will support you throughout your time here.

Take your time, ask questions and make the most of your visit as you begin to picture yourself at Surrey.
