Choosing a university is a big decision. A Surrey Open Day is your opportunity to explore what and how you could study — and to see whether Surrey feels right for you.

From your first step on campus to your final session of the day, everything is designed to give you the insight you need to choose with confidence. Attend your pre-booked subject talk, explore facilities, view accommodation, and speak to the people who will support you throughout your time here.

Take your time, ask questions and make the most of your visit as you begin to picture yourself at Surrey.

GETTING AROUND

If you're travelling by car, free parking is available on our Stag Hill campus (GU2 7XH), but spaces are limited. Our parking marshals will be on hand to direct you on arrival. If Stag Hill parking is full, they will guide you to alternative free parking on our Manor Park Campus (GU2 7AD) where you can take the free shuttle bus back to Stag Hill Piazza.

When you arrive, follow signs to the check-in point in Austin Pearce Building on Stag Hill campus, where we will scan your e-ticket.

If you are visiting Guildford School of Acting, you can also check-in at the Ivy Arts Centre.

Campus maps are included at the back of this guide. On Stag Hill campus, all activity can be found by following one of the three coloured walking routes, marked by coloured flags and additional yellow signs. Staff and student helpers at our information points will also be happy to help if you have any queries.

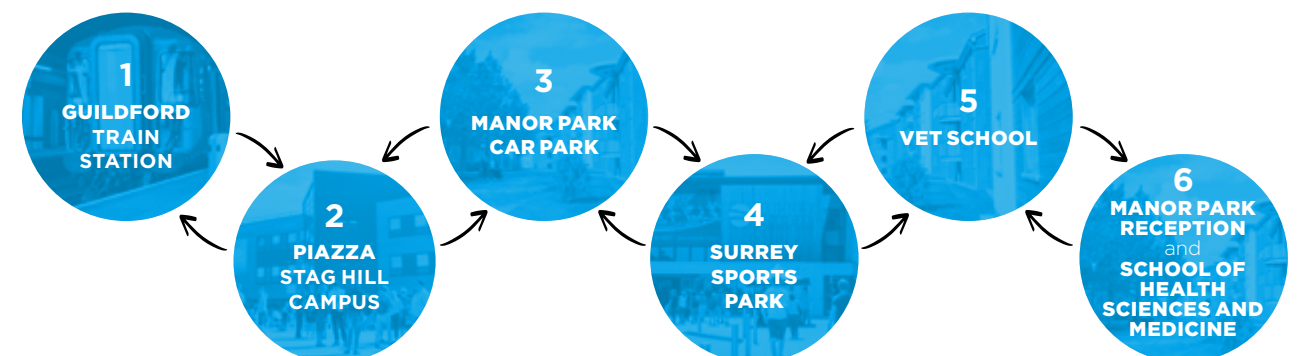

If you have any accessibility requirements, please visit our Information and Accessibility Point next to check-in in Austin Pearce Building. Here, staff and students can offer advice to make sure you get the most out of your day.

Our Stag Hill campus is quite large and includes some steep inclines, but staff at the Information and Accessibility point in Austin Pearce Building will be able to provide more information on the most accessible routes around this campus. We can also provide wheelchairs on request. Use the AccessAble app, which provides detailed accessibility information on the University's campuses, buildings and facilities.

Detailed accessibility information
can be found via AccessAble.

From 8am to 5:20pm, our free open day shuttle buses run between Guildford train station, Stag Hill campus and Manor Park campus approximately every **15 minutes**.

JOIN A TOUR
