Car parking on the University of Surrey campus is limited and once all of the on-site spaces are full, visitors will be directed to the town centre car parks nearby. There are four public car parks and one University-owned car park within a ten-minute walk of campus and they are highlighted on this map.

**Guildford Park Car Park, GU2 7NF**
This ground level car park is located just beyond the back entrance to the University campus. Once you have parked up, simply walk towards the campus entrance and you will quickly find an information point where you can check in.

**Farnham Road Car Park, GU2 7NP**
To access this multi-storey car park, you need to turn off Guildford Park Road close to the back of the train station and follow the road into the car park. Once you have parked up, you can either make your way to the front entrance of the train station to catch the shuttle bus up to campus or make the ten-minute walk back along Guildford Park Road.

**Bedford Road Car Park, GU1 4SJ**
To reach this multi-storey car park you will need to make your way around Guildford’s one-way system and turn left into Bedford Road. Once you have parked up, you can cross the river beside the Odeon Cinema via a footbridge and make your way to the front entrance of the train station where you can catch a shuttle bus up to the University campus.
