Welcome to our Applicant Day

Directions from Guildford Train Station to main University Stag Hill Campus

The University of Surrey is a short 10-15 minute walk away from the Rail Station.

The map below outlines the recommended route marked in RED and please note there will be Student Ambassadors posted along the route at various points so please ask any of these individuals should you have questions.

In the case of poor weather, you might wish to consider taking a bus which will take approx. 5 minutes from the station to the campus.
