

University of Surrey 2017/18 Asylum Seeker Bursary Application Form: Notes

The University of Surrey is pleased to be offering financial support to those seeking sanctuary in the UK. This award has been developed to provide asylum seeking students with greater access routes to the University.

For 2017/18 tuition fee and maintenance support is available for one undergraduate student and one postgraduate student who are asylum seekers or who hold Discretionary Leave to Remain.

Successful applicants will be awarded:

- **A partial Tuition Fee Waiver that will cover the difference between the UK/EU tuition fee¹ and the Overseas fee charged (up to £17,500). Under this waiver, students will still be classed as international students but will be able to pay the home rate of fee.**
- **A Maintenance Bursary of up to £1,500 towards set up costs, books, and travel**

The Tuition Fee Waiver is available for each year of study, except the Professional Training Year. This is unless, as a result of an asylum application, you (or the person of who you are a dependent of) are granted indefinite leave to remain in the UK. If this happens, you must inform the University and the award will cease from the start of the next academic year, when you would be expected to apply for student finance instead.
