

► INFORMATION FOR STUDENTS FROM THE USA

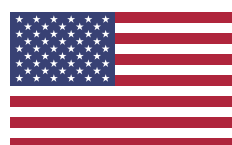

Why Surrey?

University of the Year

(according to The Times Good University Guide 2016)

1. The University of Surrey is ranked fourth in *The Guardian's* UK university rankings, eighth in *The Times/Sunday Times'* combined league table, and eighth in *The Complete University Guide*.
2. Our University is a short walk away from Guildford town centre and railway station, so you can travel to London in just 34 minutes by train, and our campus is less than 35 minutes from each of the UK's two largest international airports, Heathrow and Gatwick.
3. With over 120 nationalities playing a role in University life, you'll discover a lively, dynamic atmosphere where you can feel at home and make the most of your time as a student.
4. Our Professional Training programme is one of the largest in the world, with over 2,300 partner organisations in the UK and overseas, and our international business links give you opportunity to experience a real working environment.
5. Figures based on destinations of UK graduates reveal that Surrey is number two for graduate employability when compared with chartered universities in England – and international students benefit from the University's focus on graduate employability and success of Professional Training placements.
6. Support from our Careers Service helps students prepare for employment after graduation, and develop vital skills for the competitive graduate employment market.
7. Final-year students at the University are among the most satisfied in the UK, with Surrey ranked fourth for student satisfaction in The Times/Sunday Times Good University Guide 2015.
8. Based on a beautiful lakeside campus with wonderful views of the Surrey Hills and Guildford Cathedral, and blessed with fantastic facilities, our friendly community encourages a real sense of belonging.
9. We can offer all international students University accommodation for the first year of their studies (subject to conditions).

Tuition fees and cost of living (2016 entry)

- » Undergraduate fees range from \$21,500 - \$27,000
- » Postgraduate fees range from \$21,500 - \$31,000
