EVENING LANGUAGE COURSES- MAP OF UNIVERSITY OF SURREY STAG HILL CAMPUS

Directions walking from Guildford Train station via Walnut Tree Close (approx. 18 minutes)

If you are arriving here from the train station by foot, we recommend you come via Walnut Tree Close.

1. Exit the train station using the main entrance (next to platform 1)
2. Walk across the car park and follow the path down to the road (Walnut Tree Close). This will take you left.
3. Follow Walnut Tree Close. You will proceed to walk straight along the road until you come to a left turn just past Kwik Fit Plus and directly opposite Addisons Glass and Windscreens limited.
4. Take this left walking uphill towards a bridge (Yorkies bridge). You will pass Jewsons and go across the bridge to get to the University campus.
5. Once you come to the University campus, cross the road and take the path uphill past the University accomodation. You will come to the Student Union building. Keep going uphill until you get to the Hillside restaurant. Go past the Hillside restaurant and follow the path round past Black Water, Thames and Wey Houses (on the left).
6. Keep following that path (which will start to take you diagonally across to the right) until you get to a large building called the Library and Learning Centre.
7. Enter the building and you will see a shop on the ground floor and a seating area on the right
8. Go past the seating area and you will find a lift and a staircase. On the first week, there should be someone based on the ground floor to help you find your way.

If you have your class in AC, go straight ahead through the doors next to the Appleseed bookshop and into the building opposite (more information on this page).

If you have your class in an LLC room, go up the stairs or take the lift to Level 3.
